TERMINAL DISCLAIMER UNDER 37 C.F.R. §3.73(b) AND §1.321(b)

Sir:

Pursuant to 37 C.F.R. §3.73(b), Medical Research Council certifies that it is the assignee of the entire right, title, and interest in the above-noted application by virtue of an assignment of the patent application identified above. The above-noted application was assigned by inventor John Doorbar to Medical Research Council, 20 Park Crescent, London, WIB 4AL, United Kingdom (recorded on July 15, 2004 at Reel 014858/0589).

The undersigned has reviewed all the documents in the chain of title of the above identified application and to the best of the undersigned's knowledge and belief, title is held by Medical Research Council.

The undersigned is empowered to act on behalf of the assignees.

Medical Research Council, as owner of 100 percent interest in the instant application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full

statutory term defined in 35 U.S.C. §154 to §156 and § 173 as shortened by any terminal disclaimer of US Patent No. 6,346,377. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and US Patent No. 6,346,377 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

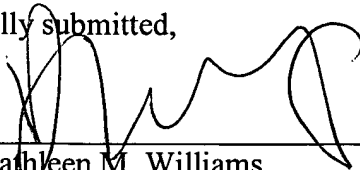

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and § 173 of US Patent No. 6,346,377, as shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The Commissioner is hereby authorized to charges the \$55.00 fee for filing a terminal disclaimer, plus any additional amount required, or to make any credits due to overpayment, to our Deposit Account No. 16-0085, Reference No. 18396/1074.

Date:

8/15/05

Respectfully submitted,
